Since 2001

PRODUCT CATALOG

The Dining Room

*Dining Table, Dining Chair, Storage Cabinets, Bar
Cabinets and Bar Stools*

Aestheteak

Since 2001

**Tired of replacing
furniture every few
years?
So were we.**

*+25 years of craft. Built into every joint, every grain,
every generation. Engineered to outlast. Designed to be
remembered.*

WHAT WE STAND FOR

01 Beautifully Designed

If a piece doesn't stop people to look twice, it doesn't ship.

02 Indian Soul. Global Sensibility.

Not a museum of tradition but proof that Indian craft can compete with anything in the world.

03 Built to be Inherited - 100 Year Guarantee

Every piece is designed with one question: will this be worth keeping for 30 years? Design and Quality that lasts. 100 year guarantee on the wood for every Burma Teak piece. No exceptions.

The Aestheteak Touch

Premium Materials

Sustainably harvested teak from managed forests with full traceability.

Skilled Craftsmanship

Experienced artisans combine traditional techniques with modern precision.

Timeless Design

Classic proportions and clean lines that transcend trends

Lifetime Value

Investment pieces that develop character while maintaining function

The Difference Between Eating and Dining

No matter what size of a gathering you have, We've got you!

Cabinet Collection

Two Ways To Build Right

Two approaches. One uncompromising standard.

Solid Burma Teak - ₹9000 / sq.ft

Built entirely in Burma teak

Inside and out. Maximum integrity. Built for generations.

Burma Teak + Engineered Core - ₹5000 / sq.ft

Teak where it matters. Engineered within.

Same exterior. Smarter composition.

Identical on the outside. Intelligently different within.

Measured by 25 years of craftsmanship.

The Science of Storage

Thoughtfully sized drawers that feel right - every single day.

Drawer Sizes

Small Drawer - 4" Height

For essentials you reach for daily.

Medium Drawer - 6" Height

Balanced storage for versatile use.

Large Drawer - 8" Height

Deeper capacity for bulkier items.

Proportions That Work

Width: ~18" Comfortable reach without excess.

Depth Options:

15" - Sleek, space-efficient profile

18" - Fuller, more substantial presence

Designed for access. Proportioned for life.

**Standard dimensions shown. Custom sizing available.*

The Aero

Lines that know exactly where to stop.
