Aestheteak

Since 2001

**Tired of replacing
furniture every few
years?
So were we.**

*+25 years of craft. Built into every joint, every grain,
every generation. Engineered to outlast. Designed to be
remembered.*

WHAT WE STAND FOR

01 Beautifully Designed

If a piece doesn't stop people to look twice, it doesn't ship.

02 Indian Soul. Global Sensibility.

Not a museum of tradition but proof that Indian craft can compete with anything in the world.

03 Built to be Inherited - 100 Year Guarantee

Every piece is designed with one question: will this be worth keeping for 30 years? Design and Quality that lasts. 100 year guarantee on the wood for every Burma Teak piece. No exceptions.

The Aestheteak Touch

Premium Materials

Sustainably harvested teak from managed forests with full traceability.

Skilled Craftsmanship

Experienced artisans combine traditional techniques with modern precision.

Timeless Design

Classic proportions and clean lines that transcend trends

Lifetime Value

Investment pieces that develop character while maintaining function

A modern wooden sofa with light-colored tufted cushions and a decorative backrest. The sofa is positioned in a well-lit room with large windows in the background. The backrest features a series of vertical wooden slats. The cushions are tufted with a central button. A single decorative pillow is placed on the right side of the sofa. The sofa is set on a light-colored, textured rug. In the background, there is a wooden side table with a lamp and some green plants.

Two Ways To Build Right

Two approaches. One uncompromising standard.

Solid Burma Teak - ₹9000 / sq.ft

Built entirely in Burma teak

Inside and out. Maximum integrity. Built for generations.

Burma Teak + Engineered Core - ₹5000 / sq.ft

Teak where it matters. Engineered within.

Same exterior. Smarter composition.

Identical on the outside. Intelligently different within.

Measured by 25 years of craftsmanship.
